

E^{m7} G A5^{sus4}
This is the mystery of Your grace
E^{m7} G A5^{sus4}
That You chose to die for all our race
E^{m7} G A5^{sus4}
For enemies and not for friends
E^{m7} G A5^{sus4}
Gave up Your life without demands

And there's nothing I can do
E^{m7} D
There's nothing I can say
A^m D
To make You love me more
E^{m7} D
Or to take Your love away

E^{m7} D
Rivers of Your grace
C D
Pouring out Your love
E^{m7} D
Rivers of Your grace
C D
Pouring out Your love for me

This is the mystery of Your grace
That a God of love could take my place
For an enemy and not for a friend
Gave up Your life made no demand

And You loved me before I loved You
You chose me before I was born
You found me before I found You
And You'll love me for evermore
